The Desert Division Souper Saturday Auction

Desert Division of the Train Collectors Association is pleased to host our Mid Winter Auction on January 31, 2026.

The auction will be held the **Fellowship Hall of the Paradise Valley United Methodist Church at 4455 E Lincoln Dr. in Paradise Valley**. The hall will open for viewing of all items at 8am on Saturday. The auction begins promptly at 9am. Items may also be viewed during the noon hour break.

In addition, this auction will have, during the lunch break, the **Famous Souper Saturday** with home made soups for all attendees. A full lunch will be available with all you can eat so long as the pots are not empty!

We will offer the opportunity to purchase, at auction, a wide variety of trains and accessories from several consigners. Many are in their original boxes. Anyone wishing to purchase from a quality assortment of trains is welcome. Only the purchase of an auction catalog is required for bidding. There is no buyer's premium.

All items will be sold in lots as described in this catalog. Note, however, that a full description cannot be made here, nor is there any warranty as to the mechanical condition of any item. Buyers are strongly advised to examine each item of interest during the morning inspection hour or when the item is being sold.

All bidders must have a bidder's card. Each successful bid will be entered into a journal kept by the Secretary. Decisions on bidding and the successful bids will be made by the auctioneer and will be final. The minimum bid increment up to \$100 will be \$1, over that, it will be \$5.

You pay for your merchandise at the conclusion of the auction as noted above. You will be given a printout with your purchases and the prices paid. Your purchases will be verified and when you complete payment you may collect your purchases.

You may check out during the lunch break. At that time, you may pay for your purchases and carry them out. However, you will not be able to resume bidding after the lunch break.

Items are sold as is. Although known defects will be noted by the auctioneer, you should examine all items before bidding. Purchases are final upon payment and receipt of your purchases. Any returns or adjustments are solely at the discretion of the Desert Division.
